MEMORANDUM

TO: Ravalli County Commissioners

FROM: George H. Corn 

CC: Judy Griffin, RN, Public Health Director
Karen Mahar, Deputy Attorney

DATE: December 7, 2007

RE: County HIPPA policy

The Public Health Department has questions about a County HIPPA policy which is a State requirement. For a County in regards to HIPPA, the County must have such a policy.

This is a question that should not be answered on a County by County basis. I suggest that you get in touch with MACO and have them generate a policy that can be used by all Counties if they haven't already done so.
